Dear Sir,

*Subject: Request to issue degree certificate before convocation*

I have submitted my thesis (A5 size) titled “Generalization of Consecutive-ones Property” incorporating the external reviewers’ suggestions after discussion with my GTC. I have received my course completion certificate and relief letter.

Unfortunately, I will be unable to attend the convocation this year to collect my degree certificate since I will be relocating abroad. Kindly issue the same before the convocation.

Yours sincerely,

Anju Srinivasan
